

Working Together

a **FREE** session to equip those working with children in the church.

ANOTHER chance to sample a *Bishop's Certificate In Children's Ministry* (level 1) session and get a credit towards receiving the certificate.

'Working Together' is the third session in the programme and it will encourage you to think about how your children's ministry team works and how you contribute to it.

At the end of the session you will have had the opportunity to appreciate your own gifts and those of the other team members; to think about how teams are organised; and to see yourself as part of the team of the whole church.

Places will be limited and in high demand. Booking is essential so contact Steve Dixon straight away to reserve your place.

There will also be an opportunity to browse Christmas resources at the end of the session. **There is no charge for this event.**
