## Substance

New youth group resources for 14- to 18-year-olds

*Substance* is the new scheme for youth groups with 14- to 18-year-olds. These A4 photocopiable resource books each contain ten Bible-based sessions as part of a four year discipleship course. It aims to be relevant, practical, informative and interactive. Each session gives young people the opportunity to respond in a variety of ways, including writing a journal page at the end of each session. Further resources can also be downloaded from the *LightLive* website.

Volumes one and two both contain two modules written by experienced youth workers. Each module is made up of several sessions containing different ideas that leaders can pick and mix and adapt to their group's needs. Detailed leaders' information is also included.

*Volume one: Creation!* contains the two modules of *Foundation Prime* and *Spirituality One*. *Foundation Prime* provides an overview of the Biblical story through six key scenes under the titles of creation, fall, exodus, exile, incarnation and resurrection. *Spirituality One* aims to equip the group as they develop their faith by exploring the essentials of Bible, prayer, worship and church.

*Volume two: Kingdom?* includes modules called *Kingdom: guide* and *Kingdom: living*. *Kingdom: guide* provides an introduction to the kingdom of God and will show the group how being a Christian shouldn't just transform their own lives, it should cause them to get involved in transforming the whole world. *Kingdom: living* is based on the Sermon on the Mount, showing how God asks people to live their lives as residents in his Kingdom.

The third volume is to be published in October 2008.
