

re:Lent

What does it take to really forgive?

re:Lent is a creative worship event for young and old to explore Jesus' story of the Good Samaritan together and to think about the role of forgiveness and reconciliation today.

Each event has been timed to enable children to attend as well as young people and adults.

Each session will include food, bible study and interactive creative activities. Please bring food for a bring and share tea and we will provide cake and drinks.

The project will culminate in an Easter celebration at Manchester Cathedral on Saturday 24th April 2010 when the fruit of the creative work will be revealed and put on display in the cathedral for two weeks.
