

# We are reducing the risk of passing on flu...

## Changes we have made in this church...

- There will be no communion wine given at services
- Clergy will be sterilising their hands during all services
- There will be no shaking of hands in church
- Volunteers will be sterilising their hands before and after doing jobs

## To reduce the risk you should ...

- Do not shake hands, kiss or hug people in or outside Church
- Stay at home and call the doctor if you have flu symptoms
- Carry disposable paper handkerchiefs -use, bin, and wash your hands if you sneeze or cough
- Buy a portable hand gel steriliser or wash hands with hot water & soap regularly

For information on reducing the risk see [www.manchester.anglican.org/pandemic](http://www.manchester.anglican.org/pandemic)
