'Who Do you Think you Are?' 11-14s Communion Service

Thank you for downloading this resource.

This one and a half hour interactive service provides young people with a chance to explore their sense of identity in God and how they relate to the world around them.

In this downloadable pack you will find all the resources you need to put on a 'Who Do You Think You Are?' service of your own. The interactive aspect of the service comes from four stations covering four different aspects of identity and the world around us. These can be prepared and placed in different parts of your building or the room you're using for the event.

The pack includes;

- Presidential Text, which will help guide you through the service
- PowerPoint, for group response
- Sub-Packs A, B, C, and D, which contain information of resources for each station

This pack provides everything you need where possible. There are items which we can't provide in this downloadable pack and have suggested, where appropriate, where these resources can be obtained or brought.

It is recommended that you read the Presidential Text first in order to see how the service works and where each sub-pack is used.

If after reading through this pack you feel you would like the Diocesan Children's and Youth Officers to come and help in running the event and/or borrow the Resource Box for 'Who Do You Think You Are' at Church House then please contact the Officers on one of the above numbers.

Thank you again and we hope you have an enjoyable event with your young people.
