

Racial Justice Launch Events

The Church of England's Racial Justice Unit has awarded our diocese funding to support four key initiatives:

- The roll out of our Shades diversity and anti-racism programme
- Direct support for our Global Majority Heritage congregations
- Development and training for our clergy and lay leaders
- Grants for innovative local parish projects.

We will also be working across our diocese to develop creative and inspiring approaches to promoting racial justice and tackling racism. We are currently recruiting to the new post of Racial Justice Programme Lead and three additional Shades School Workers.

Join us at one of our **launch events** to meet the people involved in this work, the grants available to parishes and the new job opportunities.
