

PUDDLE PRAYERS!

Pull on your wellies and your coat, pick up your umbrella and go on a puddle hunt!

Talk about how the rain nourishes the earth and brings life. Jump in the puddles and give thanks!

Dear God,
Thank you for rain,
For puddles to splash in,
For flowers and trees,
For clean water to drink,
And for making the world so wonderful.

Amen.

Make a raindrop mobile using card and string. Cut out and decorate raindrops with crayons, tissue and fabric (if you have it). Then, cut out a cloud shape and decorate. Finally, using the string hang them from the cloud like falling rain.
