4. Context

The Diocese of Manchester's vision (to be 'a worshipping, growing and transformative Christian presence at the heart of every community') cannot be achieved without radical rethinking of our present structures. We expect that candidates for a post in the Diocese of Manchester are committed to working together with ordained and lay colleagues in Mission Communities so we can better be mutually accountable to each other and be better able to meet the needs of local people. A successful applicant for this post would be expected to participate fully in the Mission Community as well as the Deanery, and encourage the ministries of others (lay and ordained). This Mission Community has a high level of vacancy, meaning there are opportunities for creative partnerships as well as a need for flexibility. The parishes are embarking on a new collaboration (one having recently been a stand alone 0.5 post, and one sharing an incumbent with a different parish) and are looking forward to working with each other and welcoming a 'Vicar of Denton'.
