

Our prayer for Windrush

A prayer of thanksgiving for the continued contributions to multicultural Britain.

Heavenly Father, we give thanks for the arrival of the Empire Windrush and the generations who came from the Caribbean to help rebuild this nation.

We honour their courage, faith and sacrifice.

You know the pain many endured through rejection, racism and injustice.

Bring healing where there has been hurt, dignity where it was denied, and justice where it is still needed.

Help us to be a people who welcome, value and stand together in love and unity. May we learn from the past and build a more just and compassionate future.

Lord, hear us.

All: **Lord, graciously hear us.**
